vital life foundation annual report

Vital Life Foundation supports organizations that contribute to the lives of seniors, staff members, and the community at large. We believe that community health is every bit as important as personal health.

Letter from the Board

Vital Life, a Marquis and Consonus Foundation, experienced a defining year in 2011. VLF continues to grow with Spirit Club membership totaling 703 by the end of the year. Revenue grew from \$142,904 in 2008 to \$575,262 in 2011. Vital Volunteer contributions grew 9.4 percent from 2010 to 2011. Despite continued economic hardships within the industry, we continue to grow.

We regularly see those with the least available assets often have the most generous hearts. It is no surprise that one of the single largest contributors to Spirit Club is a Certified Nursing Assistant who is a single mother with two children. She is not alone in her generosity as Marquis and Consonus Spirit Club members gave a total of \$111,062. In addition to the generosity of our employees, our revenue growth was substantially aided by external fundraisers including a spectacular event we called THE STOMP. Over the past year our external fundraising efforts have produced \$341,941, with \$297,533 of that coming from THE STOMP.

Foundation business has always been conducted by the board members and a handful of volunteers. VLF growth allowed us to hire our first foundation director in 2011. Mary Amick is an industry veteran and we are delighted to put her skills and enthusiasm to work as a full-time VLF director.

Most importantly, our growth has allowed us to continue to support charities that fit with our mission:

To support organizations and programs that provide meaning and vitality to the lives of seniors and staff members living and working in Long Term Care.

We are enjoying tremendous success in fulfilling this mission. For that we owe a huge debt of gratitude to our generous staff, our caring residents, and contributors from the multitude of relationships we have established.

2011 Highlights

Charitable Partners

Alzheimer's Association | VLF raised and donated over \$24,000 for the Alzheimer's Association in 5 states. Wii Bowling was a focus with 22 facilities and Consonus Pharmacy participating. The second annual Laughter Is The Best Medicine comedy show raised over \$6,250 and the audience grew to nearly 400 people.

American Heart Association | The company wide Walking Challenge grew to a team of 1073 participants with 647 people completing the 4 week challenge. The \$10 contribution per employee who completed the walk resulted in a \$6,470 check to the aha. Combined with facility fundraisers, Legend donations, and Vital Volunteer donations aha received a total of \$25,440 in 2011.

Meals on Wheels | Our relationship with Meals on Wheels increased in 2011 resulting in a total donation of \$5,000. This amount was made up of sponsorships, participation in the Valentine-O-Gram program, facility fundraisers and Vital Volunteer contributions. This year has seen a rise of residents supporting Meals on Wheels through the Vital Volunteer match.

Ronald McDonald House Charities | A major part of this year's total contribution of \$35,000 was through the renovation of one of the rooms in the West House. The stark white room turned into something House Beautiful would envy. Io facilities participated in the Elf Project and raised money and gifts totaling \$6,700 for both RMHC houses. There were multiple gifts for everyone receiving treatment during the Christmas season with enough gifts for each child to receive a toy throughout the year. Facilities also contributed time and energy by providing food and preparing meals for the children and families that use the houses during therapy.

Susan G. Komen | SKG received \$14,450 in 2011 through fundraisers and participation in Race for the Cure in 5 states. Most notable is Marquis Shaw Mountain who had a team of 85 people at their local race, 45 of which were residents who had passion for the cause.

Charitable Beneficiaries

\$63,005 was distributed between 8 charitable beneficiaries including:

Boys & Girls Aid Society	\$16,086
CASA	\$2,500
Children's Cancer Association	\$17,728
Friends of the Children	\$5,000
JFR Foundation	\$5,041
Medical Teams International	\$10,000
Our House	\$1,650
United Cerebral Palsy	\$5,000

Vital Volunteers

The Jessie F. Richardson Foundation

One of Vital Life Foundation's charitable beneficiaries is the Jessie F. Richardson Foundation. Over the past two years, Marquis and Consonus staff members have joined the Jessie F. Richardson Foundation in traveling to Jinotepe, Nicaragua to improve the lives of elderly residents living in the only nursing home in the city. Residents often do not have working toilets, roofs to keep the torrential rains out, trained caregivers, or medications to treat their conditions. Recently a group of RN's, therapists, and systems experts from Marquis and Consonus took a big chance with authorities and traveled through customs with \$1,500 worth of medications donated by Consonus Pharmacy.

Not only did staff get involved, but when residents and employees realized that people living in the Jinotepe nursing home did not have warm blankets, residents from Marquis Forest Grove, Marquis Piedmont, and Marquis Vermont Hills, along with 13 people from the Consonus Pharmacy, volunteered their time to make a blanket for each of the 42 residents living in Jinotepe. The residents' excitement and appreciation of owning their own blankets moved our volunteers to tears.

It is the intention of the Vital Life Foundation to continue supporting the JFR Foundation through expertise, physical labor, and monetary support, thus helping them live their mission.

Friends of the Children

Friends of the Children (FOTC) is VLF's newest beneficiary. Their mission of providing mentors for disadvantaged youth from age 5 through high school graduation has touched the hearts of both staff and residents. The goals and values of FOTC are a match with those of VLF and residents and employees alike have taken up the cause with volunteer hours and contributions. Children have gotten to know residents by attending holiday parties and open houses. Mt Tabor arranged a game and pizza night. Staff from Marquis Oregon City and Marquis Powellhurst decorated FOTC houses at Christmas. Mt Tabor and Powellhurst and the FOTC are embarking on a General Mills grant called "Nourishing Body, Mind, and Spirit" awarded to VLF that pairs children and residents in growing and preparing healthy foods.

teamwork

Giving back to the community has always been a significant part of the Marquis Companies and Consonus Healthcare philosophy. Bringing the causes we support to the forefront is important to us, and that's why we've formed the Vital Life Foundation. The foundation is the vehicle for our commitment to supporting youth wellness, education, families, women, and seniors.

— George Shinn

Thanks to our donors and volunteers, revenue increased by nearly \$134,000 in 2011.
