YEAR 2015 *Teamwork*

VITAL LIFE FOUNDATION ANNUAL REPORT

LETTER FROM THE BOARD

FOR THE VITAL LIFE FOUNDATION, 2015 was a celebration of extraordinary teamwork—and the unprecedented achievements it inspired.

Nearly \$1 million was raised by 1,820 donors—the most of both, ever. Volunteers stepped up in record numbers. Employees contributed like never before, giving more than \$160,000 through Spirit Club—all straight from their paychecks, and doubled in impact with matching funds.

Truly, this was a year when each of us—charitable partners and business associates, residents and staff, friends and family, young and old, the helpers and the helped—rose united on a mission far beyond ourselves. We pooled diverse talents and strengths, magnifying our influence with collective action.

We celebrated the future with our 13,250th backpack of school supplies, and the past by sending our 50th veteran on a Journey of Heroes. We helped Santa deliver Meals on Wheels, and used Love and Laughter to fight Alzheimer's. We bridged generations with Friends of the Children, and created blankets of love for the Ronald McDonald House.

Along the way, we proved that together is better, joining hands and hearts in support of the common cause we share most passionately—adding meaning and vitality to the lives of those living and working in long-term care.

Historic successes and exceptional impact—all made possible through teamwork and the power of commitment. And for that, we thank you.

2015 HIGHLIGHTS

VITAL VOLUNTEERS

GONE TOO SOON— BUT STILL AN INSPIRATION

On the fifth anniversary of her father's death from leukemia, Tracy Fritts knew she had to act. "We lost him way too young," she recalls, "and I wanted to do something big in his honor."

That something turned out to be the Leukemia and Lymphoma Society's annual "Man & Woman of the Year" fundraising competition. Tracy threw her whole heart into it, since winning meant a research grant established in her dad's name.

For ten tireless weeks, she inspired a team of co-workers, friends and family members, and their gifts were multiplied with matching Foundation funds through the Vital Volunteer program. In one memorable show of support, her fitness-averse Consonus boss took pledges to run a 5K, and \$35,000 was netted.

When the totals came in, Tracy had raised almost \$108,000 to fund research—and been named the 2015 "Woman of the Year." "I still miss my dad every day," she says, "and it means a lot to help prevent another family's loss."

MEALS ON WHEELS

HERO SANTA MAKES HOLIDAY HOUSE CALLS

The weather outside was frightful, but 92-year-old Santa couldn't stop ho-ho-hoing as he pulled on his red coat and straightened his beard. He'd served in World War II, so a little snow wouldn't threaten this mission—to bring food and cheer to home-bound Forest Grove, Ore. seniors.

Daryl (his other name) is a Meals on Wheels volunteer, contributing to one of Vital Life's strongest ongoing partnerships. Each year, he and fellow residents and staff at Marquis and Consonus deliver meals, make gifts, visit community centers and serve on key committees.

He's lived in this community for decades, and loves helping other seniors live vibrantly and independently in their own homes. "It's wonderful bringing smiles to older people," he says with a twinkle, "especially when Santa is a little old himself."

After presenting meals and gifts at the last house of the day, Daryl left with a heartfelt, "Ho-ho-ho, have a very Merry Christmas."

"I will—now," said the grateful recipient, with tears in his eyes.

BACKPACK TO SCHOOL

BACKPACK TO SCHOOL EXCELS WITH EXCEED

With nimble fingers flying, the Exceed Enterprises fulfillment team stuffed Vital Life backpacks with erasers, rulers, pencils and glue. Faces lit up at the opportunity to do meaningful work, and thanks to their enthusiastic efforts, the Foundation's Backpack to School program continues to thrive.

In the fourth year working together, it's still a win-win. Long-term care employees at partner communities get help with costly school supplies, and people with disabilities gain skills and self-confidence. More than 13,000 children have received backpacks since 2008.

On participating campuses, handing out the backpacks is highly anticipated. At Marquis Centennial in Portland, Ore., it's part of a festive event that includes pony rides and a petting zoo. At the Judson Park senior living community near Seattle, residents personally deliver them to an elementary school.

Not to be outdone, when the last backpack was filled in 2015, employees of Marquis and Consonus brought dessert and a big thank-you to a lively celebration party at Exceed headquarters.

FUNDRAISING

A CELEBRATION OF ALL-TIME GENEROSITY

There's a reason Vital Life was able to offer our charitable partners unprecedented financial support in 2015. It's because generosity toward the Foundation reached an all-time high as well. Simply put, we gave more because you gave more.

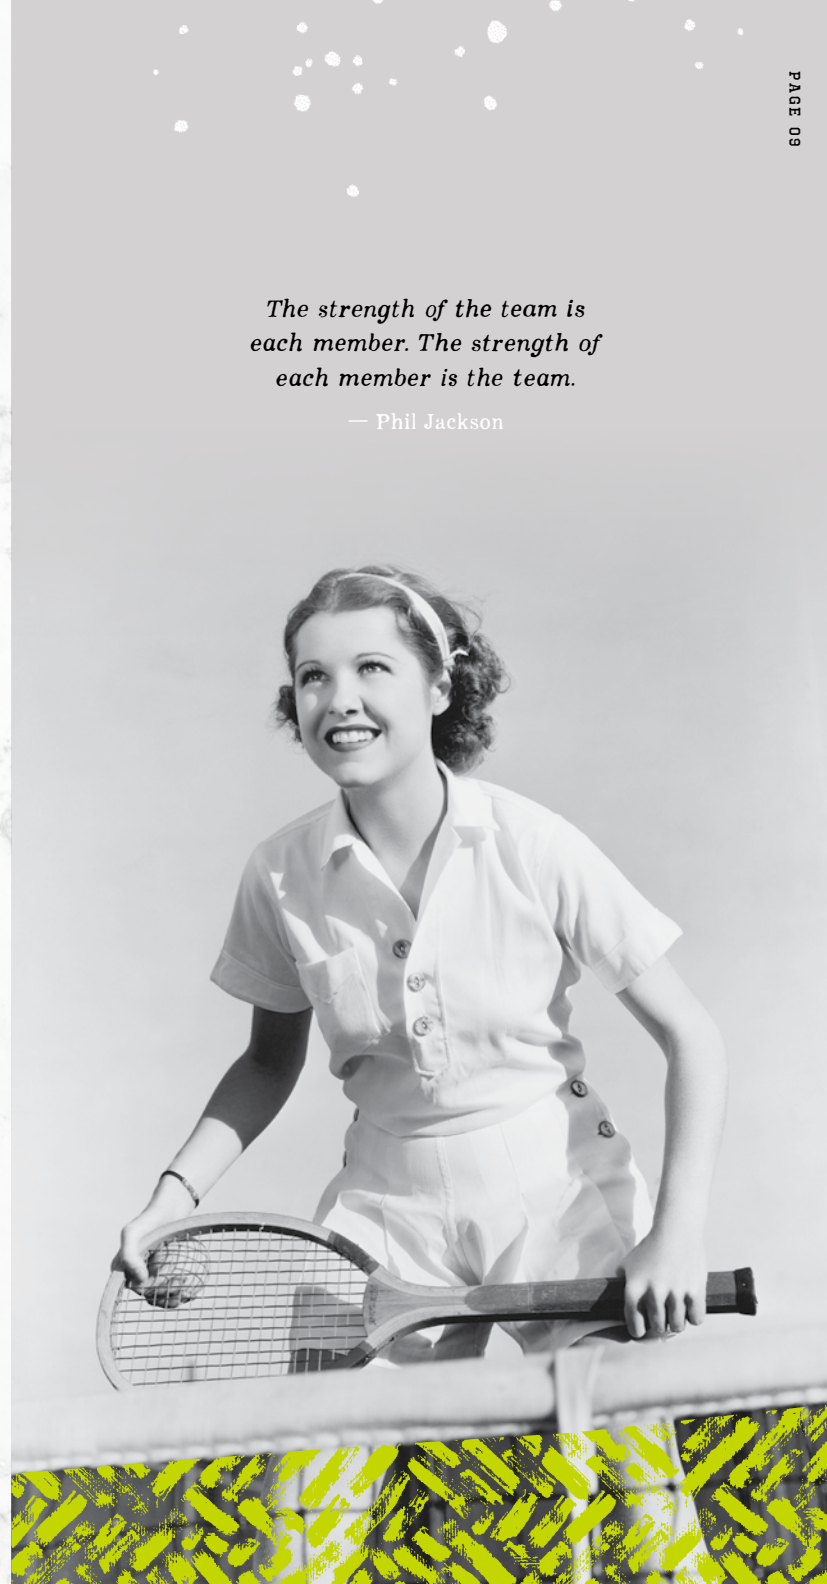

Total contributions for the year reached almost \$1 million, the most ever. More than half of that total was committed at the annual BridgeTown Bash, our now legendary extravaganza that truly puts the fun in fundraising. More than 500 attended, and the sight of all those paddles in the air was nothing short of inspirational.

Nearly \$30,000 more was added at "Laughter is the Best Medicine," our annual comedy fundraiser on behalf of the Alzheimer's Association. More than 400 people crowded into the Alberta Rose Theatre in Portland, Ore., and the impact continues—the evening's love-themed video has now been seen on social media by at least half a million people.

Finally, Marquis and Consonus employees stepped forward in 2015 like never before. A record 1,428 employees contributed almost \$160,000 through Spirit Club payroll deduction—which multiplied to \$320,000 through company matching.

FRIENDS OF THE CHILDREN
**"MAD SCIENTISTS" CELEBRATE
 FRIENDS OF THE CHILDREN
 GRAND OPENING**

"Don't eat the elephant toothpaste!" That's the playful advice wide-eyed children and even a Portland Trailblazer got from the Vital Life "Mad Scientists" at the Grand Opening for the new Friends of the Children youth center in Gresham, Ore.

With a \$70,000 gift in 2014, the Foundation played a key role in making this 8,000-square-foot facility a reality. And to help celebrate the Open House event, 16 Consonus Pharmacy staff donned white coats and led dozens of children in a colorful and messy science experiment—making imaginary "toothpaste" for Oregon Zoo elephants.

Even Blazer forward Al-Farouq Aminu slipped on safety goggles and gloves to participate, as Blaze the Trail Cat looked on from a safe distance. The event continued a close and vibrant partnership between Vital Life and Friends of the Children that provides mentoring, education and intergenerational opportunities for seniors and young people.

"I love these kids," said Consonus' Julie Moody. "They're not only having fun, they're learning that science is awesome."

JOURNEY OF HEROES
**FOR OUR NATION'S HEROES,
 ONE FINAL CRUSADE**

Lives defined by service—that's what Elmer and Melvin had lived. For decades after serving their country in World War II, the two brothers protected their Tualatin, Ore. community as volunteer firefighters.

Well-deserved recognition finally came with the 2015 Journey of Heroes trip to Washington, D.C. Thanks to the partnership between Vital Life and Wish of a Lifetime, Elmer and Melvin were chosen to join 11 other veterans and finally see the monuments created in their honor.

Against the epic backdrop of the World War II Memorial, nothing prepared any of them for the outpouring of public gratefulness the group encountered. School children pressed close for pictures. Strangers waited for handshakes.

In one unforgettable interaction, a teen approached Searle, another veteran on the trip who served in Iwo Jima, and thanked him for his service. Leaning down to hug the veteran in the wheelchair, his head rested for an emotional moment on the hero's shoulder.

"This is more than I can handle," said Searle through tears as the boy walked away. "It's overwhelming."

RMHC BLANKET DELIVERY
A BLANKET OF LOVE

The seriously ill child walked to a stack of colorful, hand-made blankets piled higher than her head at the Ronald McDonald House East in Portland, Ore. Choosing a yellow one because it was soft and "I like the sprinkles," she pressed it to her face and returned to where the Vital Volunteers who made and brought them were gathered in their wheelchairs.

"Thank you, all of you," she said timidly, in a barely audible voice.

For the group of generous and self-sacrificing Marquis residents, that moment alone made all the hours of sewing and tassel-tying worthwhile.

This was a year of exceptional teamwork between the Foundation and Ronald McDonald House Charities. Children now run wild on the new playground to which the Foundation and its business partners donated time, money and expertise, and Marquis was awarded the organization's 2015 Partner of Distinction Award.

"It's been an amazing partnership," says CEO Jessica Jarratt Miller, "It makes an enormous difference and we can't thank you enough."

Giving back to the community has always been a significant part of the Marquis Companies and Consonus Healthcare philosophy. Bringing the causes we support to the forefront is important to us, and that's why we've formed the Vital Life Foundation. The foundation is the vehicle for our commitment to supporting youth, wellness, education, families, women, and seniors.

UNITY

Unity is strength. When there is teamwork and collaboration, wonderful things can be achieved.
